## TIRED OF YOUR HEEL PAIN? RESEARCH VOLUNTEERS NEEDED!

If you or someone you know are 18-65 years old and currently have pain in one of your heels for at least 3 months, please contact:

[www.Podiatry1st.com](http://www.Podiatry1st.com)  
(314) 707-2347 or (618) 477-1395

Doctors at Podiatry 1st are currently seeking adult research volunteers to participate in a research study using an injectable study medication for Plantar Fasciitis.

### Qualified research volunteers will receive:

- ❖ Injectable study medication and study procedures/examinations at no cost to you.
- ❖ Compensation for your time and travel.
- ❖ (No health insurance is required.)
